Re: 78-131 (R78-127)

Dear Mr. George:

Your opinion request of May 2, 1978, asked whether the Department of Education should pay state transportation aid for the transportation of certain Phoenix Union High School District students by the Phoenix Transit System. Legislation passed by the Thirty-Third Legislature at the First Special Session of June 29, 1978, makes clear that such payment is proper.

Sincerely,

JOHN A. LASOTA, JR.
Attorney General
